### VERY IMPORTANT DATES (If you read nothing else please read this)

Please familiarize yourself with the due dates for the services we provide for you. **It is very important that you remember to contact our office prior to these deadlines to arrange an appointment or to contact us about dropping off your information. Remember procrastination on your part does not create a crisis on our end.**

**Individual Returns:** This year April 15<sup>th</sup> falls on a Wednesday. This deadline applies to any individual or trust tax return. Taxes owed are due in full on Apr. 15<sup>th</sup>, regardless of whether an extension is requested. April 15<sup>th</sup> is also the deadline for requesting a tax-filing extension and for making 2019 IRA contributions.

**Corporate and Partnership Returns (includes both regular C and S corporations):** Business returns are due 2 ½ months after the corporate year end. This year March 15<sup>th</sup> falls on a Sunday so for a corporation, partnership or an LLC taxed as either, with accounting calendar year end, the due date of the tax return is March 16, 2020. Please note business returns do not have the same due date as individuals.

**EXTENSIONS – If your information is not in our office by the dates following below, please call the office to arrange for an extension.**

Efile will begin January 27th for the majority of taxpayers. Following are the important dates:

**January 27, 2020** – the first date electronically filed returns will be able to be filed with the IRS.

**February 3, 2020** – if you have more than three months of bookkeeping to drop off this is the date we **must** receive your bank statements, check register, credit card statements etc in order to have your bookkeeping done in time to meet a March 16<sup>th</sup> return delivery deadline. If we do not receive your information by these dates, we cannot guarantee March 16<sup>th</sup> delivery. Additionally, if the information you drop off is not complete we cannot guarantee completion by March 16<sup>th</sup>. If you do not drop off your information by this date, you will need to call the office and request an extension.

**February 14, 2020** – if you have three months or less bookkeeping to drop off this is the date we must receive your bank statements, etc. If you do not drop off your bookkeeping by this date, you will need to call the office to request an extension.

**February 20, 2020** – for non-bookkeeping business clients this is the date the information for corporations and S corporations is due in order for us to ensure delivery of your returns by March 16<sup>th</sup>. Your income and expense summary and balance sheet information must be complete and accurate in order for us to process your return timely. If you do not drop off your information by this date you will need to call the office to request an extension.

**February 24, 2020** – this is the date we must have any additional information we have requested during the preparation of the corporate tax returns in order to ensure March 16<sup>th</sup> completion. If we have not received your information by this date or if the information we have is incomplete, you will need to contact us to arrange for an extension. If you believe you will owe taxes and plan to make an extension payment it is important that you let us know prior to April 1<sup>st</sup>.

**April 1, 2020** – This is the date we will be filing individual tax extensions for clients who have contacted us.

**April 16 – 17** – Our office will be closed.

**April 22<sup>nd</sup>** – we return to regular operating hours.

**Other Important Information –**

**DELAYED REFUNDS!!!** – In an effort to combat tax fraud, your tax refund could be delayed. Early filers with earned income or additional child tax credits will have their refunds held until February 15<sup>th</sup>. This is the result of a new law that requires the IRS to hold refunds until February 15<sup>th</sup> for these taxpayers. The refunds are being held so that the IRS can match reported information to W2s and 1099s filed in January. Additionally – new security procedures may slow down refunds for other taxpayers as well. Taxpayers requesting direct deposits may receive paper checks in order to combat suspected fraud.

**Payment** – For those clients with outstanding or past due account balances, in order for us to accept your information to prepare your 2019 taxes we will require that you bring your account current, please take action now to bring your account current. We will also require payment in full prior to releasing a completed return for any client with an outstanding balance or a history of slow payments. If you believe you have an outstanding balance, please contact our office prior to bringing in your tax information. ***If your account with us is not current and we do not hear from you prior to the information deadlines above, we will not provide services such as the filing of an extension on your behalf until you have resolved your account balance.***

**Website** –Our website contains a great deal of useful information. We have uploaded a blank tax organizer, our mini- personal and business tax checklists and our Life Planning Checklist. Our website also contains many forms needed by employers such as the most recent Form W4, the Form I-9 that Homeland security requires to be on record for each employee. There are links to the Florida New Hire Reporting and Workers Compensation rules. And of course it contains the link to our electronic portal.

### **Electronic File Delivery (Electronic Portal)**

In order to securely transmit and receive confidential tax information we use our electronic portal. We are required to use a secure method of transmission and cannot utilize email to send you your tax information. We can email you a link to access your information in our portal. Most of our clients have told us they really enjoy using the file portal. File size is not an issue since the files are uploaded onto our secure server and we download directly off the server. A client is only able to access their own information and does not have access to any other clients tax information. If we set you up with your own portal folder in a prior year your log in will still work. Your username is your email address. If you cannot remember your password then follow the link on the sharefile page to reset the password. If you have problems send either Janet or myself an email and we will reset your password manually.

You do not have to have your own folder to access the portal. You can send us files “anonymously” using the link on our webpage– to do this click on the portal link on our webpage, once you are at the portal log in page use the browse buttons on the right side of the screen to find and upload your file to our client drop box. I will receive an email letting me know you have uploaded a file. Only our staff has access to see or download files from the portal. There is no charge for utilizing the portal for file delivery purposes.

We will remove any prior year information located in a portal folder at the beginning of the next tax year.

### **Return Copies and Provision of Information to Third Parties**

**We are required under federal law to obtain a signed written authorization specifically identifying the information to be released and the person to whom it is being released prior to providing any copies of tax returns to persons other than the taxpayer. In the case of a joint return both spouses must sign the consent. We cannot accept the release forms you sign at the bank and must use a release containing the required information and disclosures prescribed by the IRS i.e we only accept our own consent to release forms. Please do not ask us to accept a verbal release or emailed request to send your information to a third party, we love our clients, but we cannot risk the fines that would result. We can send the information to you in electronic format and you can choose to forward the information, but we cannot send the information directly to a third party without a signed consent.**

**Additionally, for those clients for whom we provide payroll services, please DO NOT give our contact information to your employees for purposes of requesting W2s or employment verification – should an employee need a copy of a W2 – you can provide a copy from your employer copy. Also for most payroll clients we have uploaded the payroll information to each employees View My Paycheck account which they can access directly. If you cannot locate your employer copy we can forward you another copy of that file. It is very disruptive to our office to have client employees calling requesting multiple years of W2s because they have lost their copy or the bank needs them, or for the employees to start calling us in January wanting their W2s.**

## **Tax Organizers**

As always, attached along with this newsletter is our mini tax organizer. Many of you prefer this shortened format to the detailed organizer. If you did not receive your detailed electronic organizer and would like one please contact us to resend. We will also be posting a downloadable copy of a blank organizer on our website [www.cbackcpa.com](http://www.cbackcpa.com). This copy can be downloaded and you can print out and use only the pages that you need.

## **Last but not least**

I also want to remind everyone once again of the importance of not only having a will but also to have a living will, to appoint a medical surrogate and to have a Durable Power of Attorney in place. Many people are under the belief that they will either be here and fully capable or gone and it doesn't matter, but a stroke, or diseases like dementia or Alzheimer's can leave you unable to care for yourself or handle your own affairs. Failure to have this paperwork in place puts an unbelievable amount of stress on your loved ones. This stress is completely avoidable with a little planning and organization. I will be posting my Life Planning Checklist on our website for you to reference in organizing your paperwork – I urge all of you regardless of your age to put together a book organizing all of this paperwork in one place and making your family aware of where this critical information is located.

If you have any questions concerning the above, or would like to schedule a meeting please contact me at (772) 446-7990 or send an email to [cback@cbackcpa.com](mailto:cback@cbackcpa.com).

Wishing all of you a safe and joyous 2020!

Very truly yours,

Cathy
